

Here are the tools you
have been waiting for to teach
the Equipment Specialty

Scuba Publications

The Instructor Kit consists of:

- 1 Scuba Publications Bag**
- 1 Instructor Guide**
- 1 CD-ROM with a 134 slide PowerPoint presentation**
- 2 Scuba Publications pens**
- 5 Diving Equipment Functioning & Care books as a first stock**

An access code to the member section of scuba-publications.com to order further stock

€ 169,=
Excluding shipping

Sell the 5 books in the Instructor Kit at suggested retail price (€ 34.90) and you will not only have earned your investment back, but will be equipped with the CD-ROM and Instructor Guide for your courses and have an access code to www.scuba-publications.com to order new stock at attractive conditions.

Just fill out the form on the last page to apply for a working relationship with Scuba Publications. When accepted, we will send you the invoice for your Instructor Kit for the Equipment Specialty.

If you are used to prescriptive teaching, you can work in the same way with the Scuba Publications materials. On the CD-ROM you will find a set of knowledge reviews and an exam in A and B version. The answers are found in the Appendix of your instructor guide.

For bigger groups the Scuba Publications Diving Equipment Functioning & Care PowerPoint presentation can be used in a classroom setting.

To teach outside, you can print the slides from the Scuba Publications Diving Equipment Functioning & Care CD-ROM on paper to make a flip-chart.

The Scuba Publications Diving Equipment Functioning & Care CD-ROM allows you to print hand-outs for students who prefer not to take notes in their books.

With the Scuba Publications Diving Equipment Functioning & Care presentation installed on your laptop, you can teach equipment courses in virtually all environments.
